

## PRESIDENT SENDS CONGRESS MESSAGE

Wants Statistics On Marriage  
and Divorce Published.

### DECISIONS OF SUPREME COURT

They Decide that There Exists In  
This Country a Beef Trust—Colo-  
rado Election Case Before That Tri-  
bunal—Other Washington News.

Washington, Jan. 31.—The president sent a message to congress today calling attention to the fact that no statistics on marriage and divorce had been collected since 1886, and recommended legislation.

The following is the text of the message:

"To the senate and and house of representatives: I call the attention of congress to the fact that no statistics have been collected by the federal government on the subject of marriage and divorce since 1886, and that but few of the states have provided for these statistics. The institution of marriage is, of course, at the very foundation of our social organization, and all influences that affect that institution are of vital concern to the people of the whole country. There is a widespread conviction that the divorce laws are dangerously lax and differently administered in some of the states, resulting in a diminishing regard for the sanctity of the marriage relation.

"The hope is entertained that co-operation amongst the several states can be secured to the end that there may be enacted, upon the subject of marriage and divorce. I deem the matter of sufficient general importance to recommend that the director of the census be authorized by appropriate legislation to collect and publish statistics pertaining to that subject securing the statistics from 1886 to the present time.

"Theodore Roosevelt."

### Decision Against Packers.

Washington, Jan. 31.—The supreme court of the United States today decided the case of the United States versus Swift & Co., known as the beef trust, charging conspiracy among the packers to fix prices on fresh meats, etc. The opinion was handed down by Justice Holmes and affirmed the decision of the court below, which was against the packers.

In his opinion Justice Holmes discussed at length the various contentions of the packers and disposed of them individually. He admitted that some of the charges were less specific than desirable, but said this was necessarily true, on account of the vast extent of the field covered. He added that sufficient cause had been shown to prove continued offenses and an offense of such a nature to justify the proceeding. The opinion, continued the injunction granted against the packers under the Sherman anti-trust law by the lower courts. The opinion was concurred in by all the members of the court.

The supreme court of the United States today denied the application of Machen, Lorenzo and Groff for a writ of certiorari in the case against them charging conspiracy to defraud the government in connection with the postoffice department irregularities. The effect is to leave standing the decision of the court of appeals of the District of Columbia finding them guilty as charged. Machen, Lorenzo and the Groffs were sentenced to two years in prison, and to pay a fine of \$10,000 each.

The so-called Denver election fraud cases found their way into the supreme court of the United States today in the shape of a petition for a writ of habeas corpus which was presented by United States Senator Patterson. The cases covered by the petition are those of Peter Miller and Thomas Shepperson.

### In the House.

Upon convening today the house agreed to conduct memorial services in respect to the late Senator Hoar, on Sunday, Feb. 12, at noon.

The conference report on the legislative, executive and judicial appropriation bill was called up by Mr. Lattauer, of New York.

### In the Senate.

When the senate convened today Mr. Platt (N. Y.) presented the certificate of election of his colleague, Mr. Depew.

A bill extending to the Philippines the provisions of the revised statutes concerning the extradition of fugitives from justice, was passed.

#### WAGON DRIVERS' STRIKE.

Nine Hundred Men Ask for Better  
Wages in Windy City.

Chicago, Jan. 31.—Nine hundred lumber wagon drivers struck here today. Operations of firms comprising the Lumbermen's Association concerns that control the supply of lumber for building, the flooring mills and the sash, door and blind and box factory of the city, were affected.

One hundred firms are affected and they assert that they will stand together in opposing the demands of the drivers. The drivers affected belong to the Lumber, Box and Shavings Teamsters' local of the International Brotherhood of Teamsters.

Since last December they have been seeking an increase of wages for drivers of two-horse wagons from \$13 to \$14 a week. No increase is asked for single drivers, who have been getting \$12. The employers would concede no advance.

lying on left side?

If you have any of these  
symptoms your heart is weak  
or diseased, and cannot get  
better without assistance.

quickly you will find relief.

"About January 1st, 1902, I took  
down with weakness and drowsy,  
and gradually grew worse. I was told  
by my family physician that my case  
was hopeless. My neighbors and family  
had given me up to die. My  
limbs and body were swollen to one-  
third larger than normal size, and  
water had collected around my heart.  
For at least three months I had to sit  
propped up in bed to keep from smother-  
ing. I sent for five bottles of Dr.  
Miles' Heart Cure, and by the time I  
had taken them all I was entirely  
cured. I feel better than I have for  
twenty years, and I am able to do  
any kind of work on my farm. My  
attending physician told me that if it  
hadn't been for Dr. Miles' Heart Cure  
I would now be in my grave."

## PRODUCE AND SAVE YOUR MEAT

For the information of those who de-  
sire to have their hog meat cured in  
our cold storage we recommend the  
following method of preparation:

As soon as the butchered animal has cooled  
down, cut up and trim to perfect shape, leav-  
ing chine bones on hams, and blade bones on  
shoulders; salt in the usual manner, using not  
more than 10 pounds salt, 2 ounces brown sug-  
ar, 2 ounces saltpeter and 1 ounce red pepper  
to each 100 pounds of meat. It should reach  
the cold storage not later than three days af-  
ter so prepared. If any additional salt is need-  
ed after reaching us, we will supply it. Leave  
in cold storage 45 to 60 days, according to size  
of meat. After taking from cold storage wash  
in warm water and dry, then wrap or sew up  
closely in muslin, so as to prevent attacks from  
flies or other insects; hang up and smoke at  
intervals for three weeks. It will take smoke  
perfectly through the muslin. Green hickory  
wood makes the best smoke. When dry, take  
down and pack in boxes, a layer of oat straw,  
then one of meat, etc., and you will have as  
fine meat as can be produced, until following  
season.

Parties having railroad facilities may with  
perfect safety ship by freight and have it re-  
turned same way. Mark plainly to us and also  
your name on box or barrel and mail as bill of  
lading. Prepay freight at shipping point. Our  
charge for storage is one cent per pound for  
one month. We also wish to buy hogs dressed.  
We solicit patronage in perfect confidence to  
give entire satisfaction, and feel that our en-  
terprise is of the greatest benefit to the far-  
mer.
